Ericka Beckman at VeneKlasen/Werner

Ericka Beckman at VeneKlasen/Werner features three film installations and a series of never-before-seen drawings by the American filmmaker. In her first solo exhibition in Berlin, the artist presents her works *Cinderella* (1986), *Hiatus* (1999/2015), and *Switch Center* (2003), which span the last three decades of Beckman's output.
